# Matcha Brownies:

IN YOUR JAR: *\*Store jar in a cool, dry place until baking*

- 1 cup brown sugar
- 1 cup all-purpose flour
- 1 tsp baking powder
- 1/2 teaspoon salt
- 1 tablespoon matcha powder
- 1/2 cup chocolate chips

## BAKING INSTRUCTIONS:

1. Preheat oven to 350 degrees and line a 8x8 inch pan with parchment paper or lightly grease.
2. Melt 1 stick (1/2 cup) of butter and let cool (so it doesn't melt chocolate).
3. Add all dry ingredients from jar to a large bowl or mixer. Add **1 stick melted butter, 2 eggs, and 1 teaspoon vanilla extract** to the dry ingredients. Mix everything together until just combined.
4. Add mixture into prepared pan and bake for 15 minutes, or until edges are golden brown and a toothpick comes out clean. Enjoy with vanilla ice cream or a matcha latte if desired!
